CRITICAL SUCCESS VARIABLES

01

SAVE TIME

No more spending hours searching for the right activity or lesson plan!

03

INCREASE ENGAGEMENT

Increase the fun, sharing, and happiness...which makes your students WANT to come to class and engage with their classmates.

02

BUILD CONFIDENCE PLANNING & LEADING SEL ACTIVITIES

Build teachers' confidence and desire to lead impactful SEL activities, including the debrief that students' need for maximum impact

04

EXPAND SENSE OF COMMUNITY

...that makes students feel safe and connected to their peers and grown ups, leading to a greater sense of well-being and increased academic focus.
